To Our Sisters and Brothers in Christ

Receiving this book does not imply a need for Bible instruction or admonition. We merely want to share our happiness in Christ so you too may have the opportunity to have His Word in your heart.

This book has a thirty year history. The first twenty-four years it was in a 5 1/2 x 8 1/2 notebook with only texts listed having no verse portion. We have it on the computer at last. The past few years have been exceptionally intense with rewarding study.

The mission of this book is to make the reader aware of Jesus Christ's loving gift to us. We, who don't know what the Bible teaches, will lose out on the wonderful gift of salvation He has freely given to all of us.

This book represents no religion. It contains study topics with texts from the Bible. We want it to proclaim His love that transcends all understanding. As you study you will find many verses to add to the topics in this book. This book will get you started with a method for your Bible study. We have only brushed the surface of information available in the Bible.

Bibles used for text reference: 1) The Zondervan *New International Version* 2) and Thompson *King James Version*. A portion of each verse is listed for quick reference. Readers need to include all the verses shown with each text listing. Example: Matthew 7:1-11 means to read through verse 11. The original King James Version of the Bible is the most accurate text and is taken from the original Greek and Hebrew manuscripts. A good example is Genesis 1:14. Some versions help clarify but can totally change the meaning. You need to have a KJV for your study sessions. There are some new King James Versions on the market. You need to be wary when purchasing because some are totally different (inaccurate) from the old original KJV.

As you go through this book and select different topics to study, please read the general information included under a few topics for a greater understanding of content.

There is no need for anyone to be terrorized by thoughts of what will happen just before Christ comes in the clouds when we meet Him in the air. Carry on with your life but include God daily and study His Word. Talk to Him constantly any where, any time, any place for all reasons. Be reassured by knowing what God says in the Scriptures.

Study with open minds and reflect on your own salvation given so lovingly and freely by Jesus Christ, the LORD OF LORDS AND KING OF KINGS - our loving Saviour. PRAISE HIM!!!!!!!

IS THE HOLY BIBLE GOD'S INSPIRED WORD ?

Grant R. Jeffrey's book *The Signature of God* proves the Bible contains scientific, archaeological and historical information that could not have been produced by human beings unless God dictated their writing. Jeremiah 1:9 says, "Behold, I have put my words in thy mouth." In light of the fascinating evidence in this book, every one of us needs to carefully consider the implications certain beliefs have on our future. The powerful evidence in this book proves the Bible is truly the Word of God. Don't hold the agnostic position that Bible authors wrote to the best of their language and memory limitations. If you have never believed in God or His Holy Bible because of your religion, pray for God to give you an insatiable longing for His Word.

1 Timothy 6:15-16 says God only has immortality. Within the pages of the Holy Bible, you will find peace, safety and eternal life.

A careful examination of the names and numbers in the Bible's text reveals special mathematical designs and codes that are so complex that no human or super-computer could have produced these features. Many of these designs are not obvious and occur throughout a series of biblical books written by different biblical authors over several centuries. There is no human explanation for this phenomenon except for divine inspiration. (Grant R. Jeffrey, *The Signature of God*, p 10).

Recently, Jewish computer scientists discovered a series of incredible messages encoded at equally spaced intervals hidden beneath the Hebrew text of the first five books of the Bible, the Torah. God inspired the writers to unknowingly use specific words and letters to produce the most astonishing and incredibly complicated mathematical and letter codes ever produced. These features were carefully hidden from the eyes of everyone until this century and the development of mathematical and super-computer analysis. The discovery of these complex patterns of wheels within wheels provides compelling evidence that constitutes an unanswerable argument for the divine inspiration of the Bible. The scientists declared that these patterns are so complex that they could not have been produced by humans. Furthermore, while these incredible patterns exist in the Hebrew text of the Torah, no other apocryphal texts display this pattern, nor can they find it in any other Hebrew religious or secular texts. This incredible phenomenon provides overwhelming evidence that there is one inspired author of the Scriptures. (Grant R. Jeffrey, *The Signature of God*, p 10-11).

The Dead Sea Scrolls were discovered in 1947 by an Arab shepherd boy. It is considered the greatest archaeological find in history. Scholars discovered authoritative Hebrew text to be identical to the Dead Sea Scrolls. The only difference found was a very small number of spelling variations, but not one word was altered from the original scrolls found in the caves.

When you stand before Jesus Christ on the Judgement Day, what reason will you give Him for your belief? Have you influenced others with your belief that will affect their salvation? There are only two sides from which to choose. James 4:14 says our life is a vapor and then it vanishes. The time we have to make our choice isn't long!

Ask yourself the following questions: 1) Do I love Jesus? 2) Did Jesus die for me? 3) Does Jesus love me? 4) Is Jesus coming to take me to heaven? If your answer is yes to these four simple questions and you doubt the Bible is inspired, you need to rethink your position.

WHEN WE MEET THE LORD IN THE AIR

God has an enemy. We have an enemy. We call him Satan. He's a clever deceiver. And he'd like to see us all lose out. He'd like nothing better than for us to think we have a lot of time when we don't. He'd like to see us surprised, fatally surprised, by the return of Christ. He'd like to see us unprepared. He'd like to see us miss all the good things God has in mind for us in the future life. CONTROLLED LIVING

Who controls your life? Is it God, you or Satan? What matters is what God wants! Don't ask others about your ideas or opinions. Ask God for a strategy and put your trust and faith in Him. Let the Holy Spirit lead you. When you step out to do God's will, the people who love you will be against you. When you bid God's calling, beware! He is Wonderful and cares about you! Give all the control to God and stay balanced. Put God in the driver's seat of your life. Before confronting an issue, always ask God how to deal with it. The flesh always likes to complain when inconvenienced. Buckle up because He will take you on the ride of your life if you trust Him.

Don't control others and don't be controlled by anyone. Control, manipulation, intimidation and deception are all from Satan. Self pity is idolatry. Don't feel sorry for yourself. Start your life over in Jesus Christ. You may think religion will help you through life but the truth is it won't. It is the **RELATIONSHIP** with Jesus Christ that sees you through life. We need to gain knowledge of the wisdom in the Bible. God goes the extra mile for us so let's get out of the slavery to Satan. What fruit are we bearing? Spend time with God and abide in Him and He will make every bitter thing sweet in your life. Pray for the people in your life to have God's light. We can live a Spirit controlled life.

Don't be suspicious about things. That is Satan's way of attacking you. When Satan messes with your mind, remember how good and patient God is with us. Satan is a liar. We can't believe lies are truth. Resist the devil.

We grow when opposed. The devil opposes righteousness. We need to learn to say "NO". Stay on the attack and you won't be under attack all the time. In this world there will always be tribulation because Satan never gives up. The moment we do good Satan tries to trip us up. The devil constantly tries to divert our minds. If we stick to something, we will have a breakthrough. If we are adaptable, we will have victory.

Satan doesn't want us to ever be happy. Our progress with God in our lives drives Satan to a jealous frenzy. We must recognize evil when it appears and be ready to turn it away. Only Jesus can help you. The calm in our souls comes from happiness. If we have joy, we have it on purpose. We have it because we have Jesus Christ in our life!

If repression consumes us, we have terrible health problems along with what ever else is troubling us. Don't let oppression take over. Our focus needs to be constantly looking forward with Christ leading our way. God had a plan for your life before He created the foundations of the earth. Listen to His calling. The decisions you make now will forever mold your future.

Confess your sins to God because he will forgive your sins. Tell Him you love Him and want to be His child. Ask Him to lead your life. Trust Him! He is locked in the mold of faithfulness. He will lead you "Home"!

If we study the Bible and know what it says we'll not be surprised at signs of His soon coming. One thing that used to frighten us was the strong delusion the world is going to go through at the end of time. If we study the passages in the Bible regarding these events, we know the Christians won't be here to face this. In King James the word letteth is used. It means restrain in Hebrew. When the Christians are removed, the world will face a strong delu-

sion and it will be so strong people are not going to realize they are under a spell. God IS NOT GOING TO ALLOW the Christians to go through this. The Scriptures back this up. Combining Greek and/or Hebrew definitions with our English version makes all the difference in understanding His Holy Word. God promises to give us peace if we ask Him and follow His every footstep. Satan is just waiting to pounce on everyone *left behind*.

MYSTERY/MYSTERIES

The mysteries in the Bible are something we all need to understand. There are twenty-two (22) listings under mystery and five (5) under mysteries making a total of twenty-seven (27) texts to do with mysteries. Most of the New Testament is written in Greek. Revelation is written in Hebrew. Interestingly, throughout these mysteries Hebrew is interspersed. Three (3) of the mysteries are found in the gospels and four (4) of the mysteries are found in Revelation leaving the remaining twenty (20) to be found in Paul's writings. Paul was a Gentile and as you study and find the answers to these mysteries keep in mind these mysteries refer to the Gentiles. Each mystery has an absolute astounding relationship to the Hebrew alphabet. The mysteries in the Bible are in Hebrew alphabetical order with each text giving the description of the letter. Remember each letter of the Hebrew alphabet has a distinct meaning and numerical value. Psalm 119 is divided into twenty-two (22) sections with the Hebrew alphabet in order.

SELF-EXALTATION

Many people believe that there is no set standard for morals. They think they can set their own right and wrong, and that there are no absolutes. Therefore, perfection can be obtained by following their own standard of morals. Since God is perfect and they think they have obtained perfection, many believe this makes them "little gods." This is the teaching of the universal mind groups. You can find more basic information on this concept by looking at the universal mind books. The best advice is to stay completely away from this type of literature because of its association with Satanic power. We need to be aware of what the Bible says regarding self-glory.

SELF-JUSTIFICATION

Our prayer is that the following texts will prove beyond a shadow of a doubt that we can't and never will reach perfection in this present life. In the Garden of Gethsemane Christ prayed, "let this cup pass from me." The cup he spoke of was the sin of the entire world. He felt the weight of every sin ever committed. He had to bear that for us. He died and rose again. Our justification comes through Christ only. The plan of salvation was triumphantly fulfilled. 1 John 2:2 - "And he is the propitiation for our sins: and not for ours only, but also for the sins of the whole world." This cup involved bearing the sins of the whole world. If we do something wrong, we feel guilty. Sometimes guilt eats us up until we can stand it no longer. Then we make it right and ask God's forgiveness (and He does forgive us). Think what Christ spiritually, mentally, physically and emotionally *felt* when He drank the "cup" just before His death. Jesus knew He would be separated from His Father during this time when He needed Him most. Christ dying on the cross is the one and only act that provided eternal life to the inhabitants of this world. We must pray daily for Him to live within us. We must be good Christian examples for everyone we are around each day so that they will want to love Him the same way we love Him.

Are you aware that at the time of the end there is going to be a counterfeit of Christ? How will you decide what is truth and what is evil? There is only one way to differentiate good and evil. You must know what the Bible says about God's truth. If you know the Scriptures, you will know what to expect and when these events take place you will be prepared. The precious Bible will keep you from fatal deception and destruction. It is very dangerous to neglect Bible study. You must study His Word for yourself. How well you know God's Word is the determining factor for your future. There is no time for delay.

(WE ARE SAVED FROM) THE GREAT TRIBULATION HOUR

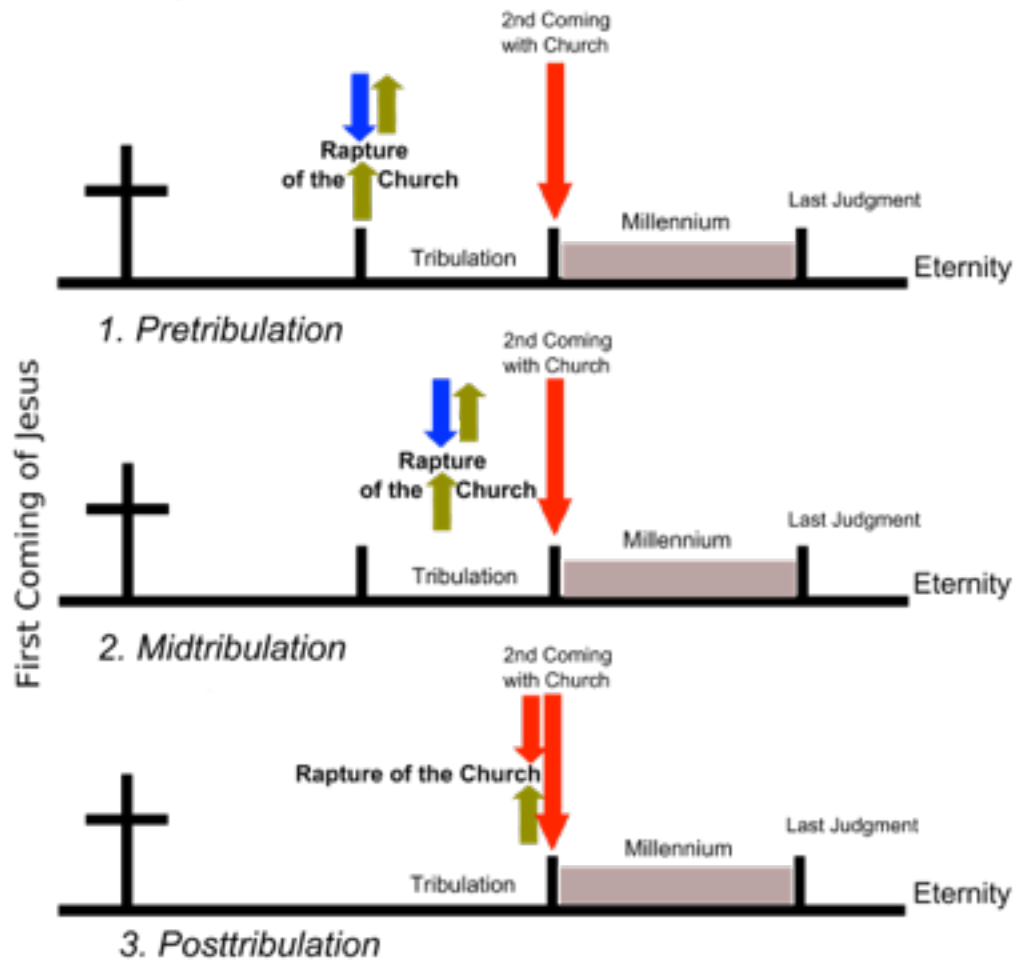

There are four groups of believers. They are as follows:

- Pre-tribulationists:** Christ comes and takes the church before the Great Tribulation Hour.
- Mid-tribulationists:** Christ comes in the middle of the heptad.
- Post-tribulationists:** Christ comes only once -- at the end of the heptad.
- Pre-wrath rapture:** Saints go through six seals then Christ comes.

Studying the Bible is what determines our knowledge and intelligence regarding God's Word. Studying gives us peace because He is close to us when we are close to Him. We learn through study about God's promise to us for deliverance during this horrendous hour. We love Him and hold Him in awe for His supreme sacrifice for our salvation.

Psalm 2:4 says, "He that sitteth in the heavens shall laugh: the Lord shall have them in derision." When the new world order displays contempt toward the Creator and Saviour of man, he will find nothing but death. To think God will actually laugh at them is astonishing! We think about it and shake our heads at such displays of ignorance, arrogance and hatred. Think how God comprehends this behavior!!!!!!
