If we study the Bible and know what it says we'll not be surprised at signs of His soon coming. One thing that used to frighten us was the strong

delusion the world is going to go through at the end of time. If we study the passages in the Bible regarding these events, we know the Christians won't be here to face this. In King James the word letteth is used. It means restrain in Hebrew. When the Christians are removed, the world will face a strong delusion and it will be so strong people are not going to realize they are under a spell. God IS NOT GOING TO ALLOW the Christians to go through this. The Scriptures back this up. Combining Greek and/or Hebrew definitions with our English version makes all the difference in understanding His Holy Word. God promises to give us peace if we ask Him and follow His every footstep. Satan is just waiting to pounce on everyone *left behind*.
